ORDER

This matter is before the court on plaintiff's unopposed motion for extension of time to identify witnesses (#36). It does not appear that the requested extension will affect the trial schedule. For good cause shown, I find that the motion should be granted.

IT IS ORDERED that plaintiff's motion for extension of time (#36) is granted, and paragraph 2 of the final progression order (#27) is hereby amended, as follows:

1. Plaintiff is given until and including **July 1, 2005** to identify expert witnesses.
2. Defendant is given until and including **September 5, 2005** to identify expert witnesses.

DATED June 1, 2005.

BY THE COURT:

United States Magistrate Judge**
